

TABLE GRACE FOR FAMILIES: INTERGENERATIONAL EFFECTS

Father of us all,
we acknowledge the truth.
The history of this land contains many forgotten and neglected stories.
Our Lady of Guadalupe chose to appear as
an Indigenous woman to an Indigenous man, Juan Diego,
and spoke to him in his Indigenous language.
Help us to listen to each other so that all Canadians
will hear the concerns of Indigenous Peoples,
so that together we might walk together
in learning more about you and about the world.
We ask Our Lady to help Pope Francis show his love to
the Indigenous delegates who are now on their way to Rome.
We thank you for the gift of Indigenous Peoples
to the Church and to Canada.
We thank you for this food.
Amen.
